El Disyuntor de reconexión inteligente WiFi 4P puede ser ampliamente utilizado en el hogar, fábricas, dormitorios de estudiantes, tierras de cultivo, trabajos municipales y puede
Bomba de agua inteligente con control remoto, calentador de agua, equipo de calefacción por suelo radiante, etc.

Especificación:
Voltaje: 85 ~ 250V AC
Corriente: 16A/25A/32A/40A/63A/80A/100A/125A . (Seleccione la versión que necesita)
WiFi: 2,4 Ghz
Control remoto: por aplicación de teléfono inteligente desde cualquier lugar (el teléfono inteligente debe conectarse a Internet en WiFi o 3G/4g)
Aplicación: Tuya Smart/Smart Life (descarga gratuita en IOS y Andorid)
Función: Encender/Apagar/temporizador horario/Escena Inteligente
Trabaja con: Alexa , google home.

Protección: protección contra sobrecarga, protección contra cortocircuitos, protección de aislamiento.

tuya Smart Life

Application

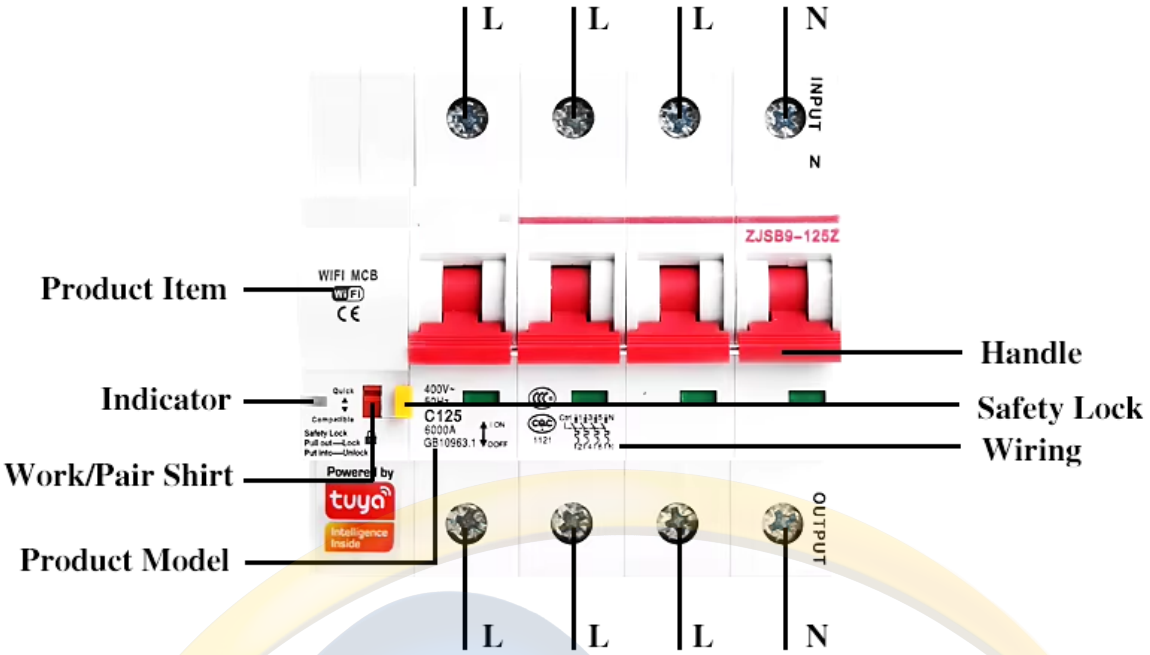

The ZJSB9-80Z WIFI Intelligent recloser circuit breaker can be widely used in household ,factories, student dormitory,farmland,municipal works and can intelligently remote control water pump,water heater,underfloor heating equipment,etc.

Function

The ZJSB9-80Z circuit breaker are suitable for 50Hz, 230V/400V, 0~125A circuit which have the fuction such as overload protection, short-circuit protection and isolating protection.
Meanwhile, This intelligent rescloser circuit breaker have the function as switched off/on globally remote control by smart cell phone, switch off/on timely, switch off/on in time delay, switch off/on incycle.

Data sheet

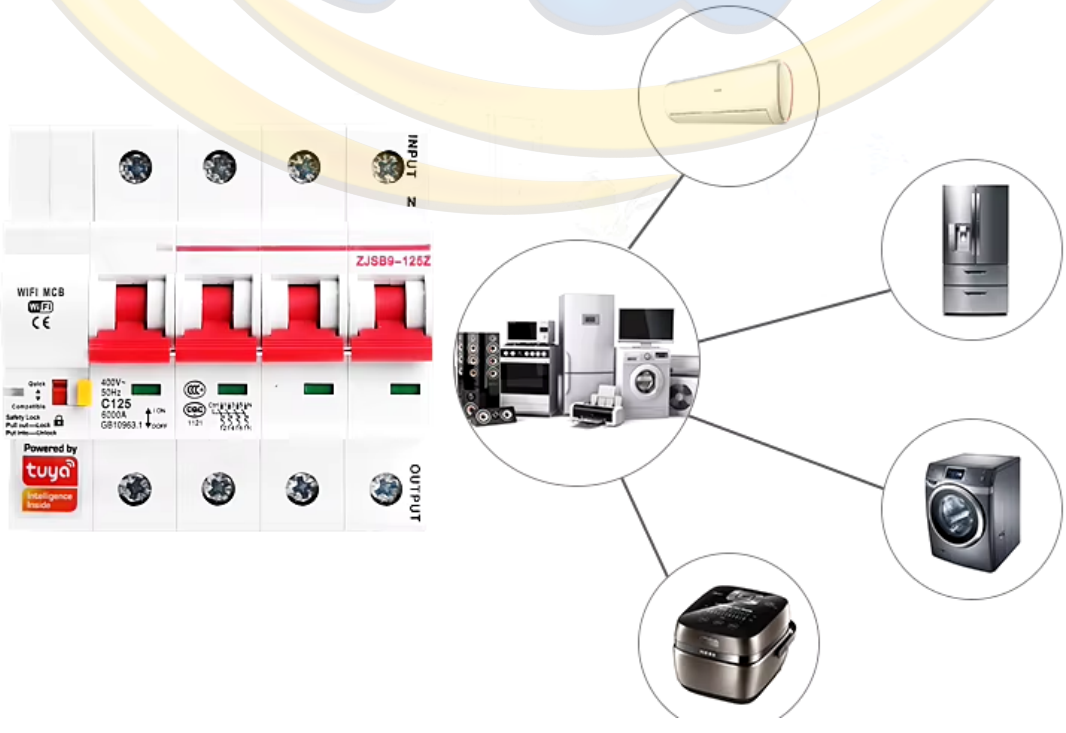

Standard	GB10963.1, IEC60898-1
Rated voltage	AC230V 1P 2P, AC400V 3P 4P
Frequency	50/60 Hz
Pole number	1P, 2P, 3P, 4P
Anti-pollution grade	2
Protection grade	IP20
Installation category	II, III
Ambient temperature	- 25℃ ~ +65℃
Frame grade rated current	125A
Rated current	32A, 40A, 63A, 80A, 100A, 125A
Instantaneous tripping charecteristic	C
Rated short circuit breaking capacity	10KA
Rated impact withstand voltage	6KV
Mechanism life	> 10000 times
Electrical life	> 6000 times

Product Item	Wifi Smart Circuit Breaker		
Product Model	ZJSB9-80Z	Certificate	CE
Rated Curent	125A max	Rated Voltage	345-415V
Connect	WIFI 2.4G	Installation	Din Rail
